

Discover Your Ideal Career and Lifestyle in Mount Gambier!

Position: Full-Time Physiotherapist (Part-Time Option Available)

Location: Mount Gambier, South Australia

Are you a passionate physiotherapist eager to make a meaningful impact while advancing your career and enjoying a fulfilling lifestyle? At Therapy for Life, we offer you the opportunity to excel in Mount Gambier; a vibrant regional city where your professional growth and personal well-being can truly thrive. Join us and be part of a team dedicated to transforming lives and fostering a healthier, more connected community.

About Us:

At Therapy for Life, we envision a future where every person in our community wakes up with the confidence that their health is in caring, skilled hands. Since 2002, we've been dedicated to this vision by providing exceptional physiotherapy that prioritises the well-being of each individual above all else.

We believe that transforming lives through high quality care is a shared journey. Our supportive team environment and enthusiastic principal physiotherapist are committed to mentoring and professional development, ensuring that each team member grows and thrives. If you are passionate about making a meaningful impact and want to be part of a team that fosters both personal and professional growth, we invite you to join us in our mission to enhance health and build a more connected, thriving community.

The Role:

We are seeking a Full-Time Physiotherapist who is driven to grow both personally and professionally and who is passionate about making a meaningful difference in our community. Part-time positions are also available to suit your lifestyle. Whether you are a recent graduate or have up to three years of experience, we invite you to apply. Students set to complete their studies in 2025 are encouraged to reach out as soon as possible. We may be able to offer a placement opportunity for you, however spaces are limited. At Therapy for Life, we offer a supportive environment where every team member can thrive and contribute to our mission of enhancing lives through exceptional care.

Key Responsibilities:

- Provide high-quality care in musculoskeletal, sports, and occupational physiotherapy.
- Gradually take on increased responsibilities with expert guidance.
